Foundational Stage Strengthening Program

3 Schools, reaching 74 pre primary children

We, Inidhu Education Foundation, have started our Foundational Stage Strengthening Program with 3 schools (Anganwadis), impacting 74 pre-primary children. As the program started this month, we have been building relationships with students through various games and activities.

In the first week of August, we will be rolling out baseline assessment for children. One more team member joined to support our program in mid of July 2026

Block Educational Officer (BEO) Visit

Model LKG and UKG classrooms have been visited by the Block Educational Officer of Koradacherry, Thiruvarur District. His support and encouragement enabled our team to work effectively with children.

Strengthening Foundations Course

I attended the Strengthening Foundation Course by Pragat Shikshan Sanstha in collaboration with **Wipro Foundation** at Pune on July 20 th - 24 th, 2026. The course emphasised the play element in each activity that we plan with children and the importance of providing a holistic learning experience for the children.

Capacity Building and ECCE Expert visit

We had 3 hours of capacity building session on literacy development through story by the resource person Mrs. Gandhimathy, Azim Premji Foundation. She observed our classroom practices and provided feedback to improve it.

Pitch with BNI and Rotary of Thiruvarur

I had an opportunity to present our work with BNI community on 10th July 2026. At a time, we can able to share our work with 30 businessman from Thiruvarur.

Few artefacts of Children in July 2026

Children doing a collage activity in a group

Children doing vegetables printing activity
